HACCP-COMPLIANT TRANSPORT

CAR FIBREGLASS 'COVER' HACCP COMPLIANCY

MAXIMUM HYGIENE, MINIMUM WEIGHT

Transport with the focus on hygiene, convenience and easy clean practicality: Cover by Car Fibreglass delivers a healthy working environment. Benefits include:

- Cover cladding is compliant with the HACCP norm, among others, and has been developed for meeting the need to transport goods under hygienic conditions at normal vehicle temperatures
- The material used in Cover panels is safe for human health
- The neutral nature means that contact with food is absolutely safe
- Thanks to its smooth surface and rounded angles Cover cladding makes the load compartment easy to wash and disinfect
- Cover is pressure wash friendly
- Special sealing between the cladding Cover panels makes the load area waterproof, preventing humidity from reaching the metal construction of the vehicle
- Main transport applications include: bread, catering products, canteen, flowers etc.

MAIN FEATURES AND ADVANTAGES

Every Cover interior installation is tailor made for the individual vehicle. Advantages include:

- The cladding consist of a kit of panels, which follow the lines of the vehicles load compartment. These are thin and light, causing virtually no loss of payload or loading volume
- No homologation is required, because the assembly doesn't imply any intervention on the structural parts of the vehicle and the weight of the cladding is lower than 5% of its tare
- It is possible to disassemble the kit from a vehicle and to fit it in a new one identical to the original vehicle
- Lights, handles and all parts of the load compartment which need regular maintenance remain easily accessible for repair
- Single panels are available as spare parts
- Available accessories: shelves, reinforced aluminium floor, reinforced floor, lashing systems

GENERAL FEATURES

Technical characteristics	Kit of fibreglass panels, designed following the load area lines; thickness: 3-5 mm; colour: brilliant white; fixing with delivered rivets and sealant
Kit available for	Movano, all versions
