## OTHER ADVANTAGES

- European type approval
- Flexible configuration delivers space for bulky electric wheelchairs and scooters
- Lightweight folding ramp for unimpeded driver's rear-view vision
- Flat wheelchair parking space

## OEM-LIKE QUALITY FINISHES AND ACCESSORIES

The Focaccia Group has developed a perfect environment for wheelchair transport. The quality and finish reflect the same high standards as the original vehicle, the whole conversion carries a 2-year guarantee.

Highlights include:

- LED interior lighting kit
- High-tech floor
- Left- and right-side handrails
- Wheelchair restraint storage compartment
- Right-side storage net
- F-Winch towing winch (option; delete centre seats)
- Free Access Ramp (option LWB)

## AN INTERNATIONAL ORGANIZATION

Focaccia Group is certified ISO 9001:2008 and maintains constant contact to official European legislation via the Italian Ministry of Transport, ensuring the safety standards of the original vehicles are met. For individual requirements and problems, a technical service is available from 8.00 to 12.30 and 14.00 to 17.30 CET via e-mail ([service@focaccia.net](mailto:service@focaccia.net)) or phone +39 (0) 544 202344.

The Opel Combo F-Style 2LWB guarantees great versatility thanks to the new Free Access Ramp, which is available as an option. The Free Access Ramp can be folded inside the vehicle, when no wheelchair is loaded, enabling a flat floor for loading of luggage and other goods. The Free Access Ramp is ideal for taxi and associations who need a conversion solution suitable for different uses.
