CONVERSION**

OPEL MOVANO AND SNOEKS SPECIAL DOUBLE CABIN PANEL VAN

PERFECT COMBINATION BETWEEN PEOPLE AND CARGO

The Opel Movano double cab conversion is the latest result of many years of successful co-operation between Snoeks and Opel. Although primarily conceived for new vehicles, the conversion can also be supplied and fitted to vehicles that are already registered. This can be arranged through Snoeks' own manufacturing facility or through the network of highly competent agencies that the company has built throughout Europe.

PRACTICALITY AND PERSONAL SPACE

The conversion is designed for all Movano models with two side windows and a right-hand side sliding door installed ex works. It can also be fitted with sliding doors on both sides.

It contains the following components:

- Three-seat bench trimmed in Opel original fabrics
- Optional four-seat bench

Optional: four-seat bench

Headlining

Load floor 'Professional'

Load area finishing

- Adjustable head restraints on all seating positions
- Full-height dividing bulkhead with safety glass window
- Complete interior cladding for the left-hand side in grey ABS including side pocket and 12-V outlet
- Complete interior cladding for the right-hand side sliding door in grey ABS¹
- Storage pockets in sliding door and side partition wall
- Headlining with 3 LED reading lights
- ABS overhead storage assembly
- H3 roof assembly with overhead load potential
- Full range of options for personal and business use

The conversion is available for the following models:

- Front-wheel drive panel van
- Rear-wheel drive panel van up to 3,5 tonnes with single or double rear wheels
- L2H2/L2H3/L3H2/L4H2/L4H3

¹ Not with double sliding doors.
